DESCRIPTION: First held in 1997, Art in Residence is our longest-running and most popular fundraiser. Every fall, friends of Creative York gather for this one-night-only event featuring rare artwork from personal collections, food and drinks, interactive art activities, a local artist marketplace, a live art-making silent auction, and so much more! All proceeds raised during Art in Residence support our outreach programs, including free art education opportunities, creative activities for community members, student gallery tours and more.

Creative York is requesting submissions from artists that would like to be a part of our Artist Market. Being a part of the Artist Market includes a booth space with a table and chairs (approximately 10 ft wide and 6 ft deep. Some booths are set up differently than others), with at least 2 metal screens to hang artwork on. The market will be open during the entirety of the Art in Residence event on October 22nd, 2022 at the York County Agricultural and Industrial Museum. Artists must be present at the event and may bring one person to assist at their booth. Sales from the market are subject to a 35% commission fee (30% for Creative York Members) to Creative York and will be handled by Creative York. All work purchased that night will be taken by the purchaser.

WORK MEDIA: any medium.

WORK SIZE: no larger than 5 ft in any direction. (Artists will be responsible for transport of artwork and setup of their booth aside from the table and chairs. Artwork purchased will be taken that night so keep that in mind when it comes to size and weight of artwork.)
