## Live Art Palooza-CALL FOR ARTISTS

Sunday, June 23, 2024, 1-3:30pm

Held at the Out Door Country Club

1157 Detwiler Dr. York, PA

**WHAT IS LIVE ART PALOOZA?** Part live art-making performance, part art-bazaar, and one of Creative York's liveliest fundraising events! During Live Art Palooza artists create artworks from start-to-finish while under a 1-hour time limit in front of a live audience, who can buy the works once completed. This offers a rare and exciting opportunity for the public to watch artists create in person and to buy original artwork.

Artists create artworks within a 45-minute time limit. There will be two art-making rounds. Art-making rounds will be held from **1-1:45 pm** and then from **2-2:45pm**. Any medium, two- or three-dimensional works are accepted. Artists bring their own art materials and decide on the size they want to create. Each piece will be priced at \$45. The first person to grab the artwork buys the piece!

**ART BAZAAR:** NEW for this event, Creative York will have an art bazaar market for those artists who are participating in the Live Art Palooza. Artists can choose to bring up to 5 other pieces of artwork (24" or less) to sell in our artist market. Artists determine the prices of these works to sell. Artists are responsible for bringing their display racks. All pieces need to be properly labeled with prices and need to be set up by 12:45pm. Creative York handles the sales and will retain a 30% commission for artist members and a 35% commission for non-member artists.
